About Cornwall Air Ambulance

Make a splash with Cornwall Pools Ltd at our first ever swimathon, raising money for the Cornwall Air Ambulance.

Each year Cornwall Air Ambulance saves countless lives across the county, providing medical care to this unique landscape, especially in areas that the land ambulance has difficulty accessing. Secluded beaches, rural communities, moorland and a poor road network mean any one of us could at some point require their help, so please let's help them.

They are on duty 365 days a year servicing all of Cornwall and the Isle of Scilly, and their crews are on-scene, on average, in just 12 minutes, getting patients the care that they need within minutes, rather than the hours taken by road.

Since 1987 they have flown more than 240,000 missions, saving countless lives but receive no direct government or national lottery funding towards the £2.5 million it costs to keep this essential service in the air.

The Event

The Swimathon event starts at 9.00 on the 26th July at our showroom in Indian Queens, and will run in 25 minute slots from 9.00 till 17.00 on the 26th July, and 9.00 till 17.00 on the 27th July. Once you have called and registered you will receive a fund-raising pack which will have full event instructions, including your allocated time slot to complete your challenge.

Teams can consist of up to 5 people from the ages of ten (parental waiver required if under 18) and up. Each team will swim for 25 minutes at a 1 minute 40 second 100 m pace in an endless pool.

Each team will need to raise a minimum £300, to be collected no later than two weeks after the event. There will be food and refreshments available to purchase at the venue and spectators are welcome.
